Abhishek Patel

DIRECTOR · SPARRK | THE PREMIER GAME ZONE

CSML has been a reliable partner in bringing **Sparrk | The Premier Game Zone** to life. Meeting Mr Rohit Mathur, our first Family Entertainment Centre, gave us the confidence to turn our vision into reality. From supplying premium arcade games and Brunswick bowling to installation and after-sales support, the entire project was handled with professionalism.

A special thanks to **Rohit Ji, Amit Ji, Malcum, Sabina**, and the entire CSML team for their dedication. Malcum and Amit Ji were instrumental in training our staff and guiding us through the initial days of operating the centre. We highly recommend CSML to anyone planning a Family Entertainment Centre.
